6IN1 Technology Combination

Velashape Slimming & Anti Aging

ALL YOU NEED, ALL IN ONE

TECHNIQUE CREATES BEAUTY

ALL YOU NEED, ALL IN ONE

360MAX is a perfect combination of five technologies: vacuum, mechanical massage roller, infrared light, bipolar RF and LED light. Now it can be upgraded with Cavitation function. Intelligently stimulated, your skin and your figure are able to undergo incredible transformations.

Backed by 15 years of experience and scientific research, 360MAX created the only non-invasive mechanical skin stimulation technique that naturally reactivates cells' metabolism.

Experience the new 360MAX anti-aging and slimming effectiveness.

BODY TREATMENT 360MAX

VISIBLE RESULTS

AS OF THE 3RD SESSION

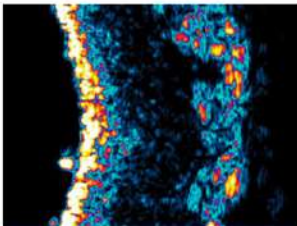

The new 360MAX patent combines the best efficiency of its proprietary technologies for more intense and faster skin stimulation.

10MHz Deep-RF Technology and **4-Way Rolling Technology**, it provides the complete solution for Body Shaping, Cellulite and Fat Reduction; the intensity of the treatment is optimized.

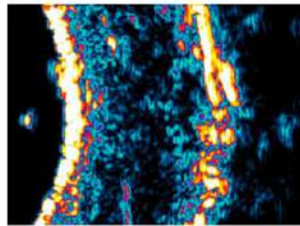

Triple action in one single treatment:

- Elimination of resistant and localized fat **+70%**
- Smoothing of the orange peel aspect
- Natural redensification of the dermis (endogenous collagen, elastin and hyaluronic acid)

Handle Cavitation Optional

Advantages

◆ 10MHz Deep-RF Technology

Compared with Basic-RF (1 or 5Mhz), 10Mhz Deep-RF technology enhance efficiency and comfort, can reach deeper in skin, uniform energy distribution, comfortable treatment, say no to shock feeling by low frequency.

◆ USA Imported Vacuum Pump

Ultra Silence and Strong Suction, patient will enjoy the comfortable and effective results.

◆ 4-Way Rolling Technology

It provides 4-Way Rolling direction, bring professional excellent results.

Forward/Backward : Body Shaping and Lifting

In: Fat Reduction

Out: Cellulite Removal
